

LOCAL MATTERS.

The Adams Express Company places its daily under obligation to the very latest papers from the eastern cities.

The American Express Company has our thanks for its daily favors in the shape of the very latest eastern papers.

Notice to Subscribers.—City subscribers to the Daily Statesman, who may change their dwellings or places of business at this season of the year, are requested to notify our carriers, or leave word at our counting-room, of the places at which they wish their papers left thereafter.

Arrive.—The following little poem, which we find in an exchange without credit, is appropriate to the season. It is headed "Arrive."

There's joy in the valley,  
And joy on the hills,  
A smiling and happy  
And laughing of rills,  
An air of gladness  
From every dell,  
For spring's happy spirit  
Has broken the spell.

There's joy in the forest,<  
A mistle-dew,  
For sparkling daisies  
Are stealing whither,  
And birds on their pinions  
Their roundelay sing,  
While white clouds dwell  
In every drop.

The dew-drops that nestle  
In every leaf's crevice,  
The glad sunlight  
And dew-drops that nestle  
In every leaf's crevice,  
The glad sunlight  
And dew-drops that nestle  
In every leaf's crevice,

We'll then, sweet April,  
Best month of the year,  
Thy coming bring gladness,  
Thy land and air,  
In holiday vestments,  
The earth is not new,  
But it is better  
Of beautiful green.

In Hancock county, one day last week, a boy by the name of WAGNER was killed in a cave used for keeping potatoes. The boy had been sent to the cave to procure some potatoes, and while he was in the act of crawling in, the dirt from above fell upon him and smothered him to death.

Property owners on High street, and in other parts of the city, will doubtless feel a deep interest in the ordinance for improving High street, which comes up before the City Council for discussion and final passage on next Monday evening, the 17th inst.

The lecture of the Hon. EDWARD EVERETT, on "The Early Days of Franklin," will be delivered at Armory Hall, next Saturday evening, the 13th inst.; and his lecture on "The Uses of Astronomy," at the same place, on next Monday evening, the 15th inst.

REMARKS IN THE OHIO CANAL.—We learn that a serious breach occurred in the Ohio Canal on yesterday at the Rocky Park of Tomka, about eight miles below Newark. The Culvert is said to be damaged very much.

Wm. R. KINER, of Newark, has been appointed Route Agent on the Central Ohio Railroad.

MUTUAL LIFE INSURANCE COMPANY OF NEW YORK.—Parties having policies in this company will take notice that Mr. FRANKLIN J. FAX has been appointed agent for this city. This is a very responsible company—its assets now amount to nearly ten millions of dollars. All persons desiring to insure in a responsible office, will find it to their advantage to call on the agent. All the profits are divided among the insured.
